Camp Cost FAQs

- I can't afford camp, what should I do?
 - We understand that the cost of camp can be daunting for some families. We work hard to make sure the cost of camp doesn't deter families from sending their students to camp. This year, we are offering discounts that get your cost down lower than EVER (see the breakdown above). If financial assistance is needed beyond these, please fill out this [form](#) and allow 2 weeks for us to process your request and contact you.
- How much is the deposit to secure my spot?
 - A \$75 non-refundable deposit is due at the time of registration. Please note that ALL registrants must pay the deposit, even if using discounts and/or requesting financial assistance.

- Are there any additional costs?
 - Your campers' experience is all-inclusive. They do not NEED to bring extra money to have a full camp-experience, all meals and most activities are paid for in your camper's registration cost. There are drinks, snacks, camp merch, or projects in the craft cabin available for purchase. The camp recommends \$20-\$40 for these purposes.
- When is the final balance for camp due?
 - Final balances and waivers are due the week before leaving for camp (July 13th). Please note that your spot may be given to another camper in the event that we do not receive final payment before this deadline.
- What if I need to cancel my registration?
 - Refunds will be granted (minus the \$75 deposit) for all cancellations made at least 24 hours before leaving for camp (2pm on July 18th). You can notify us of your cancellation and any questions you might have by emailing with your student's full name to camp@shepherdchurch.com.
