Please note buses are assigned by cabin and campers must ride on their assigned bus. Students will be allowed to bring one personal item that fits with them in their seat onto the bus, all other luggage must be loaded in the bottom of the bus before orientation ([LINK TO PACKING LIST](#)). Restrooms are available onboard but we encourage students to use the restroom before leaving.

Leaders will be present for the entirety of the ride to ensure safety and enforce the rules ([LINK TO RULES & SAFETY](#)) from the get go!
